COMMUNITY CONNECT TRANSPORTATION PROGRAM

Transportation touches many aspects of a person's life, making adequate and reliable transportation services fundamental to healthy lives and strong communities. Community Connect helps individuals and families by helping to resolve transportation barriers that hinders the accessing of vital care and basic life necessities.

How Community Connect works:

- Transportation requests are made through behavioral health providers. If you do not have a case manager or treatment team, call us directly.
- The Community Connect Coordinator will verify name, address, phone number, as well as the date, time, and location where transport is needed.
- 24-hour notice is required to ensure ride availability. Last minute requests will be considered, but not guaranteed.

- Transportation is provided to grocery stores, medical appointments, court hearings, and other community sites. All requests will be considered.

Community Connects is NOT:

- 24 -hour a day on-demand ride service.
- A public transportation service. It is a program funded by Beaver County Behavioral Health.
- Meant to replace other viable transportation options such as: MATP/ Dart, BCTA service, or transportation provided through medical insurance.

**This service is provided at NO COST to you.
TO CONTACT THE COMMUNITY CONNECT COORIDINATOR CALL 724-775-4165.**
